

EU-PEARL
EU PATIENT-CENTRIC
CLINICAL TRIAL PLATFORMS

WEBINAR:

***To use, or not to use,
non-concurrent controls?
"When and how to use" –
that are the questions!***

SAVE THE DATE!
FEBRUARY 24, 2022
(4-7 PM CET)

3-hour interactive webinar

with statistical experts from regulatory agencies, industry and academia as speakers and panellists (speakers to be announced soon).

What to expect from this webinar

- Statistical methods to incorporate non-concurrent controls in platform trials
- Benefits and Risks of the use of non-concurrent controls
- Experiences in recent platform trials
- Regulatory considerations on the value of non-concurrent controls

EU-PEARL organisers: Marta Bofill Roig (MUW), Katharina Hees (PEI), Franz Koenig (MUW), Tobias Mielke (Janssen), Martin Posch (MUW)
